**DONOR PRIVACY POLICY**

Solid Waste Alternatives Program (SWAP) respects the privacy of our donors. Unless otherwise stated or required by law, we do not disclose the names of our donors, their contact information, or contribution amounts.

Use of donor information. We use donor names, contact information, and contribution amounts for the purposes of processing payments and distributing acknowledgements and receipts; keeping donors informed of our activities; internal record-keeping and accounting; and fundraising. As necessary we will report such information to applicable government agencies as may be required by law.

Non-disclosure of donor information. SWAP does not rent, sell, trade, give away or publish our donor lists. We may disclose information when required by law.

On occasion (such as a targeted fundraising campaign) and with the knowledge and consent of donors, SWAP may publicly recognize the receipt and purpose of individual gifts. Data on donors and donation amounts may be aggregated and stripped of identifying information for reporting purposes (including grant applications and government filings) without the explicit consent of donors.
